Subject: Application for Machine Learning Engineer.

Dear Hiring Manager,

I am writing to express my interest in the Machine Learning Engineer position at Rokomari.com. With a degree in Computer Science nearing completion from North South University, along with hands-on experience in machine learning, Computer vision and natural language processing (NLP) projects, I am enthusiastic about the opportunity to contribute to your esteemed company.

Throughout my academic journey, I have undertaken numerous machine learning projects utilizing tools such as TensorFlow, PyTorch, and have engaged in tasks including object detection, classification across multi-modalities. While I am yet to complete my thesis, I have fulfilled all other requirements for my degree and have demonstrated a strong commitment to academic excellence.

In addition to my academic background, I have gained practical experience as a research assistant and through a remote internship, where I honed my problem-solving abilities and teamwork skills. While I may lack practical experience, I am eager to apply my skills and learn from experienced professionals at Rokomari.

Thank you for considering my application. I am eager to discuss how my background, skills, and passion for technology can contribute to the success of Rokomari.com. Please find my resume attached for your review.

Warm regards,

Md. Khurshid Jahan
